This year a new dictionary and two encyclopedias have been purchased. Reference books suggested by High school teachers were purchased. In the coming year it is hoped to add a record player and records for instruction in languages.

The State Library has loaned reference books for

the use of students, these being on hand during the school year.

Through the Women's Club, books for children were given to the library, and a gift from a citizen allowed the purchase of an easy chair.

MUNICIPAL COURT OF OSS�PEE

To the Selectmen of the Town of Ossipee:

I submit the following report of the Ossipee Municipal Court:

Cash Receipts for year, 1959	\$11,919 82
Received for certified copies	2 00
Partially paid cases	998 19
Restitution and small claim	99 11
Reimbursement from town for 1958 supplies	48 37
	<hr/>
	\$13,067 49

Less cash disbursements for year:

Cash disbursements	\$11,919 82
Supplies	97 34
	<hr/>
	\$12,017 16

		\$1,050 33
Cash on hand	\$ 40 29	
Check book balance	\$ 1,010 04	
	<hr/>	
		\$1,050 33

Payments of the 1959 accounts were divided as follows:

Town of Ossipee	\$3,928 41
Motor Vehicle Dept.	6,044 75
Sheriffs	14 85
Fish & Game Dept.	875 25
Small Claims & Misc.	1,056 56

During the past year of 1959 the Court handled 658 cases, divided as follows: 454 Motor Vehicle, 33 drunks, 38 Fish & Game, 5 not guilty, 4 appealed, 8

nol prossed, 5 filed, 108 small claims and 1 Juvenile.

Because of the increasing case load, some new filing cabinets have been added for the records and new equipment secured for the Clerk of Court. I thank at this time the able work of the Special Justice, Edward Smart. As usual, officers have been most efficient and co-operative. Obviously, presiding over a Municipal Court is not entering any popularity contest, but I feel that the great majority of people who have appeared in our Court feel that they have received fair and considerate treatment.

PARKER M. MERROW,
Justice

FOREST FIRE WARDEN'S REPORT

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and

save yourself much possible difficulty, both personal and financial.

To the People of the Town of Ossipee:

With this report, my work as Public Health Nurse is brought to a close.

During these many years you have always made me welcome in your homes. Your support and cooperation in the nursing work has been much appreciated. Without this cooperation the work could not have accomplished better health in the community.

To Dr. Dube, for his guidance and counsel, and to all who helped at clinics, with transportation and in many other ways, my heartfelt thanks.

May you all continue to enjoy good health in the year ahead.

Most sincerely yours,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Ossipee:

During the school year 1958-59 the teachers in the Ossipee School were:

Principal	Mr. Charles Pinkham
Grade 8	Mr. Warren Anthony
Grade 7	Mrs. Ruby Pearson
Grade 6	Mrs. Edna Kennard
Grade 5	Mrs. Beatrice Harmon
Grade 4	Mrs. Lillian Godfrey
Grade 3	Mrs. Florence Eldridge
Grade 2	Mrs. Lucinda Gilman
Grade 1	Mrs. Alice Loud

The members of the staff are continuing in their respective positions during the current year. Ossipee is fortunate to have a competent, conscientious staff of teachers.

The school health services continued under the competent direction of Mrs. Marion Davis, R. N. At the close of the school year Mrs. Davis tendered her resignation which was accepted with deep regret. Her retirement brought to a close years of efficient and sympathetic care of the health of the children in the Ossipee schools. She earned a firm place in the esteem of all who knew her.

Mrs. Davis was succeeded by Mrs. Gertrude Dale, R. N., who began her service in September of the current year. Examination of those participating in the sports program will be continued by Dr. Dube.

During the year 188 pupils were enrolled in the

Ossipee Central School. In September, 1959 the school enrollment was 194 pupils.

Enrollment in high schools was as follows:

High School	Total Enrollment	Average Membership	Tuition Rate
Brewster Academy	28	26.9	\$325.00
Kennett High School	47	41.4	350.00
Quimby School	1	1.0	350.00
	<hr/>	<hr/>	
Totals	76	69.3	

The September enrollment of high school pupils for the current year was as follows:

High School	Enrollment	Tuition Rate
Brewster Academy	26	\$360.00
Kennett High School	41	355.00
Quimby School	1	350.00
	<hr/>	
	68	

A fire escape was installed to provide a second exterior exit from the upper story. Two additional fire escapes are being installed, as this is written, to provide extra exits from the first floor. Fire gongs have been installed to conform to the recommendations of the State Fire Marshal.

At present building maintenance and cleaning material is stored in a small room partitioned from the furnace room. This does not meet the regulations of the fire marshal. There is need of construction of a storage room of sufficient size for storage of this material with the floor machines and waste containers. This room should be built during the next summer.

COOPERATIVE SCHOOL STUDY

Six school districts presented a cooperative school district article in their warrants at the last annual district meetings. The districts voted as follows:— Brookfield voted against joining a cooperative school district; Ossipee and Madison voted decisively for the cooperative; Effingham, Freedom and Tamworth voted to continue the study for another year. At the date of this report the general committee has met and the several sub-committees are working on new reports to be made to the districts prior to the annual district meetings.

MUSIC SUPERVISOR

At the annual Supervisory Union meeting held in May, 1959 the union board members voted that a committee should study the feasibility of employing a music supervisor to serve the schools of the union. Serving on the committee were Mr. Raymond Kennard, Effingham; Mrs. Mabel Davis, Freedom; Mrs. Elizabeth Brady, Madison; Mr. Harry May, Ossipee; Mrs. Dorothy Moody, Tamworth; and Mr. Howard Hobbs, Wakefield.

This committee reported that the project is entirely feasible and recommended that each district include in its warrant an article with an appropriation for the service. The supervisory union board accepted the recommendation unanimously. Our schools now have no music instruction under the direction of a trained supervisor. No provision is made for this important aspect of our pupils' education. These are the only schools in the state that do not have a supervised music program. The expense of this program will be allocated to the districts on the

same basis as the other supervisory union expenses. I urge all citizens to support this project.

At the last annual district meeting it was voted to authorize the school board to use the unencumbered balance at the close of the year toward retirement of the outstanding debt. At the close of the fiscal year there was a balance sufficient to pay the entire debt. The balance sheet of the financial report shows notes or bonds outstanding June 30, 1959 of \$6,280.00. This debt has been paid.

The helpful cooperation of the school board, teachers, citizens, and pupils is hereby gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER
Superintendent of Schools

Cover Picture

The picture on the cover of this year's Ossiipee Town Report is the famous old Mountain Chapel. Built in the early 1840's it was once the worship center for the folks living in the Ossiipee Mountains. Then, as the population decreased, the building fell into a dilapidated condition.

This past summer, Ossiipee citizens gave money, labor, building material and heating equipment to restore the Chapel.

Now, well restored and furnished with heat, it is again the scene of regular services. Ossiipee may well be proud of the fact that an old church has been brought back to life.
